Verse 2:
Circus life
Under the big top world;
We all need the clowns
To make us smile.
Through space and time
Always another show.
Wondering where I am;
Lost without you.

And being apart ain't easy
On this love affair;
Two strangers learn to fall
In love again.
I get the joy
Of rediscovering you.
Oh girl, you stand by me.
I'm forever yours, faithfully.
